

**Pearlescent Mickey Finn** as tied by Steve Wawrykow

**Hook**-----Mustad 3407 SS #6

**Thread**-----black or red

**Body**-----holographic silver tinsel

**Wing**-----Polar Bear hair yellow and red layered topped with pearlescent Flashabou

**Head**-----cemented tying thread

Tie very sparsely. This fly small stature makes it easier to cast in the winds that often appear during beach fishing. I also do the same with other beach patterns. I call them "Wind Flies". I prefer a slow retrieve, just enough to keep you line taut. Good Luck!
