

RAINBOW VARIANT

Tied by Doug Peterson
Photographed by Bernie Heinrichs

Hook: Mustad C71S or S71S, sizes #6, 8 or 10
Thread: Uni Red # 6
Body: Gold wire (Uni French Medium)
Eyes: Bead chain
Wing: Polar bear in blue, green, yellow and red
Krystal flash in green, blue and pink
Epoxy or water soluble Soft Body

Pinch barb, lay base of thread from bend of hook to eye, wrap wire and tie it in.
Tie in eyes below the shank.

Hand mix 10 strands of yellow with 10 strands of green polar bear. Measure, cut butt ends blunt, then fasten behind eye using no more than 5 wraps of thread.

Mix one strand of each colour of crystal flash, double over thread and tie in on top of previous 5 thread wraps, use less than 5 wraps.

Tie in 5 strands of red polar bear and cover with 15 strands of blue polar bear.

Form bullet head with thread.

Epoxy head.

Option is to use black thread, paint on white eye with black pupil and a red slash behind eyes,
