

# Watershed Monitoring Volunteers Needed

Bob Kissinger [basherbob@outlook.com]

Well it's that time of the year again.

Training is set for Wednesday, 19<sup>th</sup> July at 1:30 p.m. at the lower picnic shelter in Bowen Park.

The actual dry season field work will start on Tuesday, the 1st of August and the wet season field work will start on Tuesday the 10th October.

Last year we had two teams covering 7 sampling sites. The actual work required about an hour and then it was coffee time and a few giggles.

Don't be bashful. Just email me and say "**Basher sign me up!**"

Hope to hear from you soon.

Cheers,  
Basher
